# ■ Mushroom Business Management & E-Commerce Platform (Mushroom ERP)

## Document 08: Frontend UI/UX Design System & Screen Layout Specifications

**Project Name:** SporeERP
**Document Code:** DOC-08-UI-UX
**Version:** 1.0.0-PROD
**Design Paradigm:** Premium Organic Agritech * High-Contrast Dark/Light Modes * Micro-Interactions

---

## 1. Design System Tokens & Color Palette

The visual identity combines organic earth tones with a sleek, modern, glassmorphic agritech aesthetic:

---

## 2. Typography & Font Hierarchy

1. **Display & Headings:** `Outfit` (Google Fonts, weights 600, 700, 800) — Modern geometric elegance for hero titles, section headings, and product names.
2. **Body & Interface:** `Plus Jakarta Sans` (Google Fonts, weights 400, 500, 600) — Highly legible UI font optimized for dense data tables, forms, and product specs.
3. **Codes, SKUs & Financial Figures:** `JetBrains Mono` (weights 500, 700) — Monospace precision for Batch IDs (`BATCH-2026-042`), SKU codes, currency amounts (Rs. ), and temperature/humidity readings.

---

## 3. Customer Portal Screen Specifications

### 3.1 Storefront Homepage (`/`)

- **Hero Section:** Full-width organic visual banner featuring fresh oyster mushrooms with live badge: *"Harvested Today Morning * 100% Chemical-Free & Local"*.
- **Mushroom Variety Carousel:** Interactive cards highlighting Blue Oyster, Pink Oyster, King Oyster, White Milky, and Dry Powder.
- **Why Our Mushrooms Section:** 4 Value Props (Zero Pesticides, 4-Hour Farm-to-Kitchen Dispatch, Nutrient-Dense, Sustainable Substrate).

---

### 3.2 Product Detail Page (PDP) ( `/products/[slug]` )

- **Left Column:** High-res image gallery with thumbnail strip.
- **Right Column:**
- Product Title, SKU code, Category badge.
- Price: **Rs. 220 / kg** (or Rs. 110 / 500g pack).
- Freshness Guarantee Card: *"Picked from Batch BATCH-2026-048 * Harvest Date: Today"*.
- Quantity Stepper (+ / -) and *"Add to Cart"* button with dynamic stock countdown.
- Tabbed Info: Nutritional Profile (High Protein, Vitamin D), Cooking & Storage Guide (Store in paper bag at 4°C).

---

### 3.3 Shopping Cart Drawer & Checkout Funnel

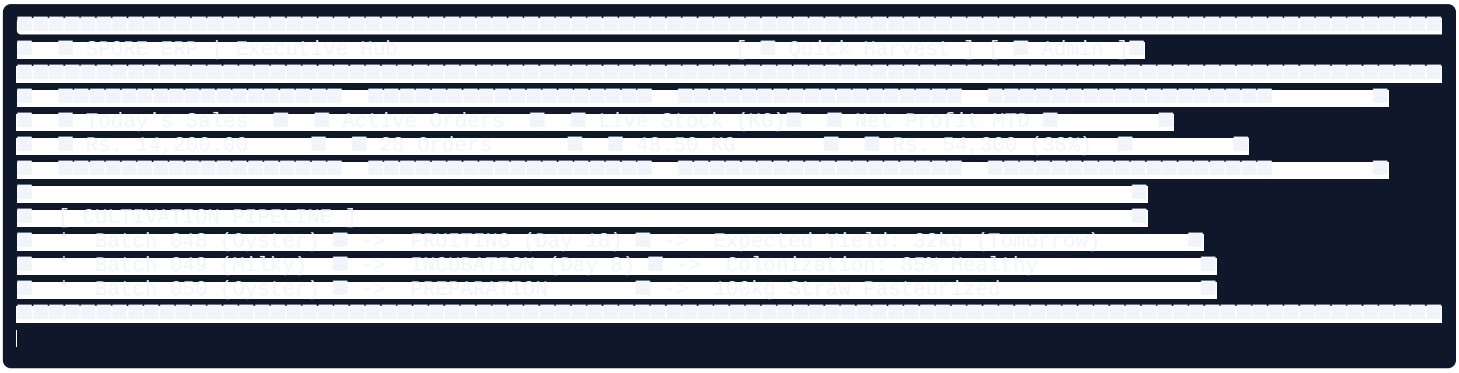
- **Slide-Over Drawer:** Real-time stock reservation indicator; free shipping threshold progress bar (*"Add Rs. 160 more for Free Morning Delivery"*).
- **3-Step Checkout:**
  1. Address Selection (Home / Work / Saved addresses with PIN code validator).
  2. Delivery Slot (Morning Harvest 8 AM–11 AM vs Evening 4 PM–7 PM).
  3. Razorpay One-Click UPI / Card / COD payment.

---

## 4. Business Admin ERP Screen Specifications

### 4.1 Executive Founder Command Center ( `/admin/dashboard` )

- **Header:** Date range picker, quick harvest logging trigger, system health status.
- **Metric Cards:**
  1. **Today's Revenue:** Rs. 14,200 (+18% vs yesterday).
  2. **Active Orders:** 28 (4 Pending, 12 Packing, 12 Out for Delivery).
  3. **Fresh Mushroom Stock:** 48.5 KG across 3 varieties.
  4. **Active Grow Batches:** 6 batches (360 active beds in incubation/fruiting).
  5. **Estimated Net Profit (Month-to-Date):** Rs. 54,300 (Net Margin 38.2%).
- **Visual Charts:**
- Daily Harvest Yield vs Sales Demand (Line chart).
- Monthly Revenue vs Operating Expenses (Stacked bar chart).
- Room Climate Telemetry (Temperature & Humidity meters for Room 1 & 2).



---

### 4.2 Growing Room & Bed Visualizer ( `/admin/rooms` )

- Interactive 2D matrix of Room Racks and Beds.
- Color-coded bed tiles:
- ■ **Green:** Healthy Mycelium / Fruiting (Click to view spawn weight & flush count).

- ■ **Yellow:** Pinheads Forming (Ready in 48h).
- ■ **Red:** Contaminated (Single click opens quarantine & discard modal).
- ■ **Gray:** Harvested / Spent Substrate.

---

### 4.3 Fast Mobile Harvest Logging Modal ( `/admin/harvest/new` )

- Designed for farm staff wearing rubber gloves inside humid grow rooms:
- Giant numeric numpad for quick weight entry.
- Batch dropdown with latest active batches prioritized.
- Automatic Grade A / Grade B weight split calculator.
- *"Save & Update Inventory"* 1-click confirmation with sound haptic feedback.
